Intuitive Hypnosis Wellness Program Registration Form

The *Intuitive Hypnosis Wellness Program* was developed as a way to allow HR managers and independent business owners a means to offer hypnotherapy to their employees and their families at no cost to the business organization. By joining the *Intuitive Hypnosis Wellness Program*, employees and their families qualify for a 20% discount on all hypnotherapy services offered through Intuitive Hypnosis, at no cost to the organization. There is no limit to the number of sessions employees can participate in. This offer cannot be used in conjunction with other discounts and/or offers.

To participate, please fill out the simple registration form below and return to Intuitive Hypnosis via email or postal mail. (Addresses are in the footer below.) Shortly after receipt of your registration a packet of information for each employee explaining the *Intuitive Hypnosis Wellness Program* and how to take advantage of the discounted hypnotherapy will be made available to you. Debbie prefers to deliver these packets in person and provide a lecture/demo of hypnosis in order to inform the staff about the benefits of hypnosis, and to answer any questions they may have.
